

## Application to use provisional values in import declarations

Use this form if you want to use provisional values in import declarations.

We have an importer guide that explains the provisional values scheme.

The guide provides information on the supporting documents that you need as part of your application.

**See:** Importer Guide: Provisional values scheme.

### Names, codes and contact details

Importer name:	Importer code:
Agent name: <i>Only use if you are completing this form for the importer.</i>	
Contact name for this application:	
Contact phone number:	Alternative phone number:
Contact email:	

### Financial year end

What is your financial year end? **Example:** 30 June.

### What goods, or class of goods are you applying for?

You can only use provisional values for specified goods, or a class of goods.  
Please specify the goods or class of goods that you are applying for.

### Questions about provisional values and your final value

Why can't the final value be provided at the time of importation?

How will the provisional value be determined?

Which method of valuation will be used to establish the Customs value of the goods?  
**Example:** Method 1: Transaction value.

What is your expected timeframe, from the end of your financial year end, to finalise the Customs value?  
**Example:** 6 months.

## Supporting documents

Please attach relevant supporting documents such as:

- details of your transfer pricing arrangement with your supplier
- contracts
- a supply chain explanation
- invoices
- a supporting letter
- any other document that will assist Customs to make a decision.

See the Importer guide: Provisional values scheme for examples of supporting documents.
