Clerk of the Executive Council

## **Explanatory note**

*This note is not part of the order, but is intended to indicate its general effect.*

This order, which comes into force on 1 July 2018, amends the Tariff to indicate, in Part I of the Tariff, rates of duty on imported goods falling within the World Trade Organization Information Technology Agreement.

The amendment corrects minor technical errors that arose with the transfer of the World Trade Organization Information Technology Agreement tariff commitments, from tariff Concession (Reference Number 60) under Part II of the Tariff to applied tariff rates under Part I. The amendment also reinstates the preferential tariff treatment afforded to these products prior to 1 October 2017.

At the time of the making of this order, the text of the World Trade Organization Information Technology Agreement was available at: [https://www.wto.org/english/tratop\\_e/inftec\\_e/inftec\\_e.htm](https://www.wto.org/english/tratop_e/inftec_e/inftec_e.htm)
