Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into effect on 1 January 2023, corrects some tariff drafting errors, mainly arising from the transposition of the 2022 revision of the Harmonised Commodity Description and Coding System into the Working Tariff Document. This transposition was originally implemented through the Tariff (Harmonised System) Amendment Order 2021.

The Order does not represent any change in policy settings, but includes the following corrections:

- insertion of missing tariff rates (headings 3808, 4412 and 8802)
- correction of tariff rates (headings 0410, 0712, 8414 and 9405)
- historic corrections (heading 8479)
- typographical corrections (headings 2844, 2903, 8708, and 9401).

This order is a confirmable instrument under section 122 of the Legislation Act 2019. It is revoked at the close of 31 December 2023, unless confirmed earlier by an Act of Parliament. That stated time is the applicable deadline under section 121 of that Act.

This order is administered by the New Zealand Customs Service.
Issued under the authority of the Legislation Act 2019.
Date of notification in the *Gazette*: 10 November 2022.
