## Explanatory note

*This note is not part of the order, but is intended to indicate its general effect.*

This order, which comes into force on 1 July 2025, amends the Tariff so that it indicates in the Preferential Tariff the new rates of duty on imports of removing tariffs on 316 environmental, sustainable and energy-saving goods identified in the Agreement on Climate Change, Trade and Sustainability (ACCTS).

The ACCTS is a plurilateral treaty-level agreement negotiated between New Zealand, Costa Rica, Iceland, and Switzerland.

The ACCTS is an ‘open plurilateral agreement’, meaning it is designed to expand over time through the accession of new members and the further amendment and expansion of the text into new areas of interest to New Zealand.

Unless indicated against the specified tariff item the Preferential Rate is Free.

The amendments give effect to the ACCTS done at Lima, Peru on 15 November 2024.

New subheadings and nomenclature are those set out in the provisions of ACCTS and are set out in Schedule 1 of this order.

The new rates of duty inserted by this order are those set out in the provisions of ACCTS and are set out in Schedule 2 of this order.

At the time of the making of this order, the text of the ACCTS was available at—

This order is a confirmable instrument under section 122 of the Legislation Act 2019.

It is revoked on the close of 30 June 2026 unless earlier confirmed by an Act of Parliament.

Nicola Purvis,  
Acting Clerk of the Executive Council.
