Request for permission to sell a small craft on a temporary import entry

NEW ZEALAND
CUSTOMS SERVICE
TE MANA ĀRAI O AOTEAROA

About this form

The Chief Executive of Customs may allow the sale of a small craft granted temporary import entry (TIE). Decisions are made on a case-by-case basis. This authority is set out in section 136(2)(e) of the Customs and Excise Act 2018.

Complete this form if you own a small craft (such as a yacht) and are seeking permission to sell while it is on temporary import. Permission to sell must be obtained prior to marketing the small craft for sale. Craft cannot be sold or offered for sale to New Zealand buyers on the domestic market.

Any marketing material must make it clear that the small craft has been granted temporary entry by New Zealand Customs and can only be sold to non-New Zealand residents. If the small craft has already been marketed for sale, you must advise New Zealand Customs immediately. The importer remains responsible for the duty (including GST) while the small craft remains in New Zealand, regardless as to whether it is sold.
